Notes

There are no hidden extras. In particular, the cost of washing linen and cleaning the apartment at the end of your stay are both included in the price quoted. So is Wifi.

Security Deposit

A security deposit of 200 Euros is required against breakages, other damage, or loss (eg of keys). This deposit is returnable on departure.

Cleaning

We do not expect the apartment to be 'ready for next guests' but do require basic tidying: eg, that rubbish is emptied and thrown away, recycling removed, dirty linen in a heap (perhaps in the bath), kitchen tidy with washing-up done and utensils put away and the bathroom fittings clean. A proportionate cleaning fee will be taken from your security deposit if you have not had time to do those things before leaving.
